

## TESTIMONIALS

What past and current parents have to say about our preschool:

*"I found that my daughter really thrived while being in school at Faith Christian Preschool. They made everything they did fun for her, while she was learning at the same time. Our daughter is excelling in kindergarten and we attribute that to her experiences at Faith Christian Preschool."*

- Cassie B.

*"The teachers at Faith provided a very loving, nurturing and safe environment for our sons while developing their social skills and confidence and preparing them for kindergarten. We highly recommend it to any family."*

- Nicole F.

*"We could not have asked for a better school for our children to attend. Faith Christian Preschool is the perfect combination of academic learning, Christian education, and fun learning environment we were seeking for our daughters."*
