## A note from the teacher...

Hello Preschool Families!  
What a great weekend the Lord gave us with such beautiful weather! We hope everyone had a chance to enjoy it!

We love Pete the Cat in the Classroom! Very often we read the books, sing the songs, or play the CD during clean up time! YouTube has many great variations of read alouds and songs from this author. Which one is your child's favorite?

As we approach the last month of school, learning packet #3 (all about summer fun) is available in the church vestibule. We hope you have fun with these activities whether it is now or over the summer!

Blessings!  
Mrs. Andrea and Mrs. Jen
